MILE LEISURE CYCLE**

Severfield (NI) Ltd is currently making arrangements for our Annual Cycle Challenge and would like to offer you the opportunity of donating sponsorship towards this year's event.

This year, in addition to donations, we are offering our first twenty six sponsors the opportunity to contribute a sum of £250 in return for having their company name/logo printed onto the event t-shirt. Every participant will receive a high quality event t-shirt.

We are delighted to inform you that last year's event which took place for the fifth year, managed to raise a total of £45,000 which was donated to RNLI, Action Mental Health, Start 360 and the Severfield Foundation whose national charity partner for the past two years has been Prostate Cancer UK. As always, we hope to raise as much money as possible and in 2019 we hope to exceed this sum.

This year following some staff nominations, four local and very worthy charities were chosen;

- **Aisling Centre**
- **Cancer Focus NI**
- **NI Kidney Research Fund**
- **Severfield Foundation** - Which will be donating this year's funds to Alzheimer's Society.

For 2019 four sponsors also have the opportunity to sponsor the Food Stops along this year's cycle routes for a sum of £250; these food stops will be branded with the sponsor's brand identity.

All sponsors of The Fisher Cycle Challenge 2019 will have their company name/logo included in the event booklet and on the website www.fishercyclechallenge.co.uk

Should you wish to support our 2019 Charity Cycle Challenge by donating sponsorship, please contact Daniel Aley at:

Address: **Fisher House, Ballinamallard, Co. Fermanagh, BT94 2FY**
